Description

Universal Manhattan 3.4kw Portable Gas Heater Black

'Pay as you Go' with this minimalist designed gas heater which will fit beautifully into any modern styled home.

Why heat the whole house when you can economise on fuel costs and this superior portable heater can be specially placed to take the chill off a cold room or bring warmth to an area with no power supply such as a conservatory.

With a real flame effect and a maximum heat output of 3.4kw, the heater is easy to operate with a simple electronic ignition for instant hassle free heat and can operate off either a 7kg or 15kg butane gas cylinder.

Safety features include a flame failure device & oxygen depletion system whilst the added benefit of portable wheels truly mean you can have the warmth of flickering flames whenever & wherever you need.

A sleek & stylish focal point for any indoor living space with the convenience of no installation or assembly.

Overall dimensions: H 67.5cm W 37cm D 51cm.

Weight 17kg.
