Aigle Parcours 2 Iso Wellington Boots Kaki

20-20033P

Aigle Parcours 2 Iso Wellington Boots Kaki

With its tri-density rubber sole and shock-absorbing cushion, the Parcours 2 boot is the first anti-fatigue boot of its kind, offering exceptional comfort to keep you outside for longer without limitation.

Easy to pull on and off, thanks to the adjustable gusset, the boot features a neoprene lining for fantastic insulation and a unique cut at the ankle to hold the foot firmly in place.

Resulting from 2 years intensive R&D, this innovative design has been tried and tested by hunters, environmentalists & forest rangers alike because protecting your feet means protecting your body too.

Ideal for all terrains and every type of weather, put your best foot forward in these Aigle Parcours 2 and take confident strides ahead.

For help on sizing to ensure the perfect fit, please refer to the [Aigle Size-Guide](#) for unique Boot heights & Calf measurements.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
