Description

Aigle Parcours 2 Vario Wellington Boots Bronze

20-20047P

Aigle Parcours 2 Vario Wellington Boots Bronze

With its tri-density rubber sole and shock-absorbing cushion, the Parcours 2 boot is the first anti-fatigue boot of its kind offering exceptional comfort to keep you outside for longer without limitation.

Easy to slip on and off with an adjustable gusset for a perfect leg fit, the foot is held firmly in place due to the the unique cut at the ankle. The boot also features a Polyamide lining which can be easily cleaned with a sponge and a rubber based shock-absorbing foam insole, lined with Softex.

Protecting your feet means protecting your body too and this innovate design is the result of 2 years intensive R&D, tried and tested by hunters, environmentalists & forest rangers alike.

Ideal for all terrains and every type of weather, step into winter in these Aigle Parcours 2 and take bold strides ahead.

For help on sizing to ensure the perfect fit, please refer to the [Aigle Size-Guide](#) for unique Boot heights & Calf measurements.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
