## Description

### Aigle Benyl M/XL Lightweight Hunting Boots Kaki

Flexible and lightweight, the Benyl boot is designed for intense outdoor activities by offering ultimate grip thanks to the lugged sole & self cleaning tread.

Featuring a natural rubber upper and rot proof, washable Polyamide lining, the rounded fit offers greater support & stability for the foot. A Softex lined foam insole benefits from a sanitised treatment to keep your feet feeling cool and fresh all day long whilst the shock absorbing technology distributes effective energy return keeping you on the move between drives.

Ideal for outdoor exploration without limitations, this super stylish walking boot is assured to go that extra mile without weighing you down.

Currently available in EU Sizes 37-47 with progressive calf measurements from Sizes 39 upwards.

For help on sizing to ensure the perfect fit, please refer to the [Aigle Size-Guide](#) for unique Boot heights & Calf measurements.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
