Description

Ascalon Watering Can & Bell Garden Chime

The wonderful thing about wind chimes is they are all so unique in their distinct pitch and with today's growing popularity, they come in beautiful designs as well. The Ascalon Water & Wind chime is no exception and designed to create a soothing ambience in your garden space and sizeable enough for a statement piece. Easy to hang from a tree, arch or bracket, the Watering Can depicts a sprinkling motion and as the wind gently breezes through the pretty little bells ting in harmony. Sure to find a perfect place in the garden or outdoor setting and if not for yourself, a novel gift for any gardening enthusiast in your life.

Dimensions: H58 x 9cm x 9cm.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
