## Description

### Thermacell MR300 Portable Mosquito Repeller Green

This latest and most popular lightweight unit can be taken almost anywhere outdoors to repel pesky mosquitoes in their tracks before they can bite or bother you.

Creating a 20m<sup>2</sup> protection zone, the MR300 effectively deals with midges and small flying insects from the backyard to the great outdoors.

Perfect for an array of activities from Country Pursuits to Camping, Gardening to DIY, the proven heat technology disperses 'allertin', a synthetic copy of a natural occurring repellent into the air so no further need for overpowering candles, harmful sprays & hot oils.

Boasting a quiet ignition, improved ergonomics and accessory mounting system, this portable repeller has to be the seasons find for living outdoor life to the max.

Unit includes: 1 x Portable Repeller, 3 x Repellent Mats, 1 x Butane Fuel Cartridge.

Overall dimensions: 16 x 5.85 x 26.70 cm.

Thermacell Refill unit available separately.
