## Description

### Barbour Endurance Dark Green Gaiters

The perfect wet-weather walking companion, Barbour's Endurance Gaiters keep your leg wear dry and protected and an absolute must for ramblers, field & rangers; in fact just about anyone who likes to get their boots muddy but not their trousers.

In a tough Cordura based fabric combined with a waterproof & breathable lining in a 3-1 construction, these gaiters have got you covered right to your knees and feature a full length velcro closure with stud snaps, adjustable draw cord top and webbed underfoot strap.

Finishing with centre hook & loop fastenings to prevent any uncomfortable twisting and elasticated inserts to create an excellent seal around the leg, these Barbour Gaiters are as easy to put on as pull off and offer excellent freedom of movement for an active day outdoors.

Available in Medium & Large; UK Shoe Size 7-9 & 10-13 respectively.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
