Aigle Chambord Pro 2 Men's Rubber Boots Kaki

Constructed from flexible natural rubber, the hard-wearing Pro Boot is fully waterproof and resistant, making it an excellent choice for workwear.

It features a quick-drying lining to keep moisture away, along with built-in flexibility and cushioning to reduce fatigue throughout the day.

The self-cleaning lugged outsole provides reliable grip and comfort on all terrains, making it ideal for farm use in wet and muddy conditions.

Designed with a generous fit, this boot accommodates wider calves for maximum comfort and ease of wear.

EU Sizes: 39 - 45.
