Hoggs of Fife Helmsdale W/P Tweed Shooting Jacket

Especially commissioned for Hoggs of Fife, this new Helmsdale Coat is a handsome fellow with a green herringbone pattern and soft moleskin trim.

Constructed in a hard wearing blend of synthetic mixed fibres, it is adequately built for country life and includes a waterproof, windproof membrane keeping you warm and dry whatever the elements have in store.

Featuring built in Raglan sleeves and 2-way brass zip for ease of movement, extra protection extends to light quilting, stud placket, elasticated storm cuffs and drip strip hem.

Plenty of space for field activity too including large front bellow pockets, poachers pocket, retainer straps plus a place to bury cold hands between drives.

An exceptionally robust and weather resistant jacket for any shooting occasion this season.

Team with matching Waistcoat & Breeks for complete head to toe protection.
