## Description

### Bruder Manitou MRT 2150 Telescopic Loader 1:16 Scale

Manufactured from premium quality plastic, this Bruder Forklift Loader boasts accurate detailing with authentic working parts for enthusiasts and budding construction workers alike.

Featuring big tyre treads, rotating cab and stabiliser legs, the telescopic arm can be moved up and down to varying heights and includes a host of tool options which can be fitted and replaced as required.

Great for inspirational play and add to the fun by combining with other Bruder scale vehicles to create a host of building site scenarios.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
