## Description

### Bruder New Holland T7.315 Tractor with Front Loader

Just like the real thing, this New Holland model masters any challenge with maximum output & efficiency.

An oscillating axle provides excellent handling and ride comfort over all terrain and to add to the fun includes a steering wheel extension that is inserted through the sliding roof.

The cab is fully glazed and features easy-to-open doors and the folding bonnet provides access to the impressive engine.

To enhance the play for any budding farmer, a fully functional front loader has been fitted to this model alongside new detachable wheels and a height-adjustable rear coupling for hitching to other Bruder agriculture trailers.
