Description

Vitax Growmore 20kg

A general purpose fertiliser for all garden use, Vitax Growmore contains the three major nutrients essential for strong and healthy growth.

Promotes heavier crops of fruit & vegetables, balances vigorous plant growth as well as encourage beautiful blooms.

An ideal fertiliser for use before laying turf or sowing grass seed.

Can be used for both planting and top dressing. Apply evenly at the recommended rate and fork or hoe into the top surface of the soil.

Keep out of reach of children, pets and foodstuffs.

Always read the label before use and store in a dry place.

We have a great range of products to help you create your perfect garden, so why not browse our huge Garden Collection today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
