Description

Spear & Jackson 8301 Razorsharp Long Reach Cutter

Designed for high level pruning, this brand new model boasts a fully extended reach up to 2100mm (6ft 10") and operates via a durable steel cord providing extra strength and durability.

Designed to give that all important bit of extra reach without compromising safety, it features SK5 carbon steel blades for lasting sharpness and an adjustable head that can be angled in eight positions for precision, high level pruning.

Lightweight but strong, the telescopic aluminium handle has been equipped with a soft feel grip for comfortable handling in use and locks away for safe storage.

A great tool to get to those hard to reach places.
