Description

Stihl MS182 Petrol Chainsaw

The **STIHL MS 182 petrol chainsaw** is an exceptionally powerful tool designed for homeowners. Whether you're cutting firewood or felling small trees, the MS 182 delivers ample power to handle the toughest jobs.

Equipped with a **STIHL 2-MIX engine**, the MS 182 offers excellent cutting performance and low fuel consumption. It features a **3/8" P saw chain** with high cutting efficiency due to its narrow kerf, and it is available with either a 14" or 16" guide bar. The **STIHL anti-vibration system** minimizes vibrations transmitted to the handle, reducing strain on your muscles and joints. The MS 182 also boasts single-lever operation and is easy to restart after interruptions, thanks to the combi-lever. Additionally, it has transparent fuel and oil tanks, allowing you to easily monitor levels and know when to top up.

Proper instruction is essential to recognize or assess the dangers of using a chainsaw. Always wear protective clothing and equipment.

We are an authorised **Stihl** dealer and can provide full service back up for your equipment. Check out other products in the range:

MS171 Stihl Chainsaw Super clean resin solvent Man of Stihl branded t-shirt
