Description

Levington Tomorite Concentrated Tomato Food

Levingtons' famous Tomorite is the country's favourite liquid plant food producing 50% more top quality, flavourful tomatoes.

Enriched with seaweed extract, not only ideal for your prize tomatoes but highly recommended for other flowering and fruiting plants growing under glass, out in the garden, in grow-bags or other patio containers.

Contains: NPK 4-3-8.

We have a great range of products to help you create your perfect garden so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
