Description

Roughneck 68006 Round Point Micro Shovel

Designed for use in confined spaces such as the bottom of trenches or for shovelling material from jumbo bags, this small but mighty tool is manufactured from heavy-duty pressed steel, hardened and heat treated to provide fast and long lasting work.

Features a super strong fibreglass shaft with a full size soft grip handle for comfortable and easy working.

Perfectly sized, an essential tool to carry in the car, van or caravan in case of an emergency. Innovative too for any Treasure Hunter amongst us.

Overall length: 685mm (27").
