Description

Husqvarna 555 Petrol Chainsaw

Resilient, rugged and versatile in all applications, with an all magnesium engine crankcase and a 3 piece forged crankshaft for prolonged commercial use. Side mounted chain tensioner, quick release air filter with snap lock cover for easy maintenance. Specified with Air Purge, Smart Start, Air injection, Low Vibe, and recently a powerful X-Torq engine. The Husqvarna 555 petrol chainsaw is ideal for contractors and landowners who need a powerful fuel efficient and low emission saw with a longer bar.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
