Description

Stihl FSA 45 PolyCut 2-2 Plastic Trimmer Blades (Pack of 8)

Pack of 8, genuine replacement plastic blades for the Stihl PolyCut Trimmer Head.

Up to five spare blades can be conveniently stored on the tool so they are always at hand when you need them.

TOP TIP: To get the most of the PolyCut blades, place them in a bucket of water for 12-24 hours before using them. This helps to make them more flexible and less likely to break.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
