

Spear & Jackson 3818NB Neverbend Carbon Edging Knife

41-76183

Our Price: £36

Description

Spear & Jackson 3818NB Neverbend Carbon Edging Knife

Neverbend Carbon cultivators are up to 50% stronger than stainless steel and come with a 15 year manufacturers guarantee.

Designed to cut turf and edges of lawns for a tidy, clean finish, this Neverbend Edger has been hammer finished and epoxy coated for improved resistance to rust, as well as scratches and humidity in soil.

Features also include a treaded blade for comfort underfoot, epoxy coated Aluminium shaft for greater durability and Polypropylene T-grip handle for enhanced control.

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
