

Galvanised Wire Mesh Roll 912mm (36") x 6M

40-00042

Our Price: £29.95

Description

Galvanised Wire Mesh Roll 912mm (36") x 6M

Manufactured from 1mm thick, 19g steel then galvanised to add a protective coating to guard against corrosion and rust.

Featuring a 1/2" (12.7mm) square mesh hole, this handy roll can be put to good use around the Home & Garden as a temporary or permanent fixing

Ideal for small fencing projects and cordoning off areas such as Pet enclosures, Flower & Veg Patches etc.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
