## Description

### Stihl Genuine FS Super Lubricant for Brush Cutters-Saws 80g

Proven to significantly reduce wear with increased protection from corrosion, this lubricant is specially designed for the rapidly rotating gear system of all STIHL brushcutters and clearing saws.

Screwing directly into the gearbox, delivers grease in a clean and tidy way with no mess or waste.

Stable to oxidation along with high temperature and shearing force resistance.

Available in 80g & 225g Tubes.

Please follow the particular gear manufacturer's recommendations.

We are an authorised **Stihl** dealer and can provide a full service and back up for your Stihl equipment.

To keep up to date with our latest news, offers and promotions; be sure to join us on **Facebook & Instagram**.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
