Description

Masterplug Pro-XT 13A Open Cable Reel 25m

Developed as the first globally viable portable power offer for trade, Pro-XT delivers a new level of performance and innovation.

Lightweight and sturdy, this convenient open reel houses 25 metres of cable and ultimately designed for heavy duty applications.

Key features include four power sockets, localised power switch to control where you are working and thermal cut out in the event of appliance overload when fully reeled.

Standing Masterplug out from the crowd, the unit concludes with a two-tone superior handle grip for comfort, easy wind handle ensuring quick recoil and integrated cable guide preventing the usual kinks & tangles.
