Description

Masterplug Pro-XT 13A Cassette Reel 10m

Developed as the first globally viable portable power offer for trade, Pro-XT delivers a new level of performance and innovation.

A lightweight and sturdy solution for use in heavy duty applications, the compact nature of this cassette allows for easy transportation and storage whilst delivering 10 metres of power cable extension.

Key features include four shuttered sockets, localised power switch to control where you are working and thermal cut out in the event of appliance overload when fully reeled.

Standing Masterplug out from the crowd, the unit concludes with a robust high viz case & reel for safer working and easy wind handle allowing quick recoil.
