Description

Schoffel Ptarmigan Ultralight II Coat Dark Olive

This Ultralight II Coat is 100% waterproof, windproof and highly breathable with an upgraded fabric for assurance.

Constructed using a Venturi 2 layer laminate with a durable ripstop fabric, the contemporary sport cut includes an underarm gusset providing ultimate lift and comfort, albeit for shooting or long country walks.

There are plenty of secure pockets for all important valuables and micro fleece lined hand warming pockets with storm flaps, as respite from the cold weather.

Elasticated storm cuffs and a detachable hood make it ideal for showery weather and with the coat packing away into its own internal pocket, the perfect choice for a game bag or rucksack.

Pair with an **Oakham** Fleece Gilet for an added layer of warmth, and a versatile country look.

Machine washable and quick drying,

Available in UK Sizes: 38"- 46"R.
