## Description

### Seeland Neck Gaiter Pine Green

Making the difference between an enjoyable venture outdoors and an unpleasant one, this warm roll collar offers excellent protection against low temperatures and chilly winds .

Featuring a stretchy fleece fabric with flat lock stitching for comfort, the design also includes ventilation holes around the nose and mouth for maximum breathability.

All the warmth & insulation of a scarf but with greater functionality for outdoor sports & pursuits.

One size only.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
