Description

Spear & Jackson 1560SF Neverbend Stainless Steel Digging Fork

This Spear and Jackson Stainless Steel Digging Fork has a mirror polished stainless steel head promoting rust resistance and minimal soil adhesion.

Featuring an extra long socket for added strength, this fork also has a weatherproofed hardwood shaft for greater durability.

Ergonomically designed, this product is fitted with a super grip handle providing some forward tilt to ensure the user an ideal digging angle.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
