Description

STEIN Copious Armour Tac Sewn Eye Sling

Many climbers are now realising and understanding the virtues of working on more technical friction hitches. Many of these hitches require friction cords with different properties and to have a sewn termination to allow the hitch to be dressed on the hardware correctly.

We have a great range of products to help you with your domestic or commercial projects. Choose by online or the 'click and collect' option and pick up from your local store. At Ernest Doe you can buy with confidence.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
