## Stihl HLA66 Cordless Long Reach Hedge Trimmer

The HLA 66 is a new professional lightweight cordless long-reach hedge trimmer in the AP system product range. An evolution of the HLA 65 with better balance for less fatigue during operation, a new ergonomic control handle with the self resetting Ergo lever for left and right handers all packaged in a new stylish design. A loop handle for use on the tops of hedges, a catcher plate and base protector are all available as accessories. Perfect for the majority of tall and wide hedges at 205 cm long with a 50cm/20" double side, double edge blade and adjustable working angle head from  $-45^{\circ}$  to  $+70^{\circ}$ . The head will also fold flat for easy transport at just 125 cm total length. Perfect for small garden maintenance businesses, grounds keepers, gardeners and landscapers for trimming of tall hedges, side and top growth with catcher plate. The HLA 66 provides constant work output, good balance, excellent cutting performance and use in the rain and wet conditions is possible.

**Perfectly Balanced** - The battery in the shaft of the HLA enables balance during use and allows for fatigue-free work.

**Intuitive Control Handle** - The ergonomic operating handle has an intuitive start process and is easy to use for right and left hand users.

**Double Sided Cutting Plate** - The double-sided cutting plate is ground on both sides and ensures a clean cutting pattern

**Quick Adjustment System** - The cutter bar can be adjusted from  $-45^{\circ}$  to  $70^{\circ}$  and can be folded and locked parallel to the shaft for transport.
