Our Price: £84

Oregon 104885E Nylium Star Strimmer Line 2.4mm x 360m

OR-104885E

Description

Oregon 104885E Nylium Star Strimmer Line 2.4mm x 360m

Nylium star strimmer line is ideal for trimming overgrown grass and weeds in lawns as well as light commercial work.

Contains aluminium particles which resists welding, the star profile provides five individual cutting edges for neat and clean results.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
