Sahara 1500W Electric Hanging Patio Heater

For an all round ambient heat without obscuring your panoramic views, why have free-standing when you can hang it up!

This outdoor waterproof hanging electric heater can easily be mounted to any ceiling or gazebo and includes a remote control handset for easy operation.

Ideal for Medium to Large areas, the halogen lamp offers both glare-free lighting and instant heat at your fingertips.

Overall dimensions: 43 x 43 x 25cm. Heating area: 10-14m².

IP44 rated for standard weather and splash water from all directions.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
