

Levington Water Saving Decorative Bark 75L

31-28210

Our Price: £8.99

Description

Levington Water Saving Decorative Bark 75L

Perfect for low maintenance gardens and outdoor spaces, this decorative bark reduces moisture loss, suppresses weeds and adds a touch of natural texture and aesthetic to beds and borders whilst allowing flowers to shine through.

Made entirely from responsibly sourced bi-products, the addition of bark helps to insulate the root zone and protect the soil from the effects of extreme temperatures.

With a pleasing aroma and pleasant to handle, it can also be used to provide a stable base for pathways and confident footing, even after rain.

Coverage guide: 3m² on a 2.5cm deep bark ground coverage or 1.5m² on a 5cm deep bark ground coverage.

We have a great range of products to help you create your perfect garden so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
