## Description

### Husqvarna 525RX Brushcutter

High performance petrol brushcutter designed for full-time professional use in light to medium density applications. Bullhorn handles feature a high offset post and ergonomic harness for optimum working position which maximises user comfort and productivity, ideal when working for long periods.

The Husqvarna 525RX is supplied with highly efficient line head and grass blade.

Ideal for applications including:

- **Landscape maintenance**
- **Verges and pathways**
- **Parks and public spaces**
- **Overgrown areas**

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
