## Description

### Bosch Universal Rotak 650 Electric Lawnmower

This versatile corded lawnmower provides excellent results with a simple and comfortable mowing experience. The cutting height can be adjusted easily for grass lengths between 25 and 80 mm by selecting one of the seven stages, with just one button. UniversalRotak's specially designed LeafCollect blade cuts grass perfectly or collects and shreds leaves.

Enjoy a comfortable mowing experience thanks to Ergoflex handles. It is suitable for cutting grass to different lengths and collecting leaves. Save space in the shed with the mower's easy-to-use grass bag that folds flat and features a convenient fill indicator on top of the bag that keeps users informed of when it should be emptied.

LeafCollect Blade ensures easy disposal and a clean finish even close to edges
