Description

Bosch Advanced Hedgecut 36

Maximum cordless performance for the effortless trimming of large hedges

The AdvancedHedgeCut 36 is perfect for trimming large hedges. It features Bosch Quick-Cut Technology that ensures clean cuts every time. A powerful 36 V Lithium-ion battery provides cordless mobility with maximum performance. Its multi-position front handle enables convenient and comfortable working in any position.

A 54-cm blade with 20-mm tooth opening and the Bosch Anti-Blocking System enable powerful and continuous cutting without the risk of stalls. It has a blade-tip saw for branches of up to 25 mm wide and a Blade tip protector for the safe cutting along walls and paths.

Lightweight and balanced for effortless handling

Multi-position front handle

Blade-tip protector for safe wall and path work
