## Description

### Bosch Advanced Rotak 36-750 Cordless Lawnmower

Highly comfortable, back-friendly mowing with reduced noise and excellent results.

This cordless lawnmower offers exceptional results for convenient and very quiet mowing. The ProSilence feature reduces the sound omitted by up to 30% and also filters out unpleasant noise through its acoustically enhanced design features. The AdvancedRotak height adjustment has one simple button to choose one of seven cutting levels, ranging from 25 mm to 80 mm, to start mowing straight away. Apart from mowing, the LeafCollect blade can also be used to gather, shred, and distribute leaves into the grass bag for simple collection and disposal.

The ergonomically shaped telescopic ErgoSlide Handles can be adjusted easily to the user's height. Multiple adjustment points provide a healthy posture and a comfortable working position regardless of the person's size.

For impressively quiet mowing – convenient features and excellent results.

- ProSilence reduces sounds and provides more comfortable acoustics
- Height can be adjusted in seven stages, from 25 mm to 80 mm, with one simple button
- LeafCollect blade cuts grass perfectly or collects leaves for easy disposal
- Relaxed mowing due to height-adjustable ErgoSlide handles
- Syneon Chip regulates energy use for optimal efficiency and longer runtime
