

Liveryman Harmony Plus Battery Pack

EF-112123

Our Price: £119.94

Description

Liveryman Harmony Plus Battery Pack

The Harmony Plus battery pack is a powerful lithium-ion battery that allows you to extend the clipping time by a further 4.5 hours.

No cable means you can concentrate on clipping without the worry of trailing wire around the horse's feet.

Extremely useful for first time clipping and/or when handling a sensitive/nervous horse.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
