Description

Schoffel Uppingham Ladies 3-in-1 Coat True Navy

This multi-functional 3-in-1 ladies coat is a superb allrounder and an informed purchase for the colder months ahead.

It combines a 100% Polyester Outer made from 2-layer laminate Venturi face fabric that's waterproof, windproof and highly breathable, along with a smart water repellent padded Jacket sitting snugly beneath.

A three-point adjustable & detachable hood stores neatly in the high closing collar whilst the two-way YKK front zip & storm flap assures to keep out any cold draught. In addition to this, there are two microfleece lined storm flaps just perfect for cold hands plus two large front pockets to keep essentials safe and secure.

The Inner jacket is made from water repellent Polyester filled with Primaloft® insulation. Lightweight, warm & quick drying, it's easy to care too with a standard machine wash & tumble dry.

Layer the two up for a warm and waterproof coat in the depths of winter or wear them separately as soon as the season starts to kick on.

UK Sizes: 8-18.
