Our Price: £1129.99

Description

Honda HRX476QY

The HRX range is the result of over 40 years experience and features a host of unique Honda technologies; such as Select Drive for precise control and Rotostop to safely disengage the cutting blades. The new Honda GCVx engines increase performance, maximise efficiency and benefit from reduced noise levels.

Central Cutting Height - 5 settings which adjust between 19 - 58mm

Honda HRX476QY – Rear Roller

HD-HRX476QY

Where you can buy with confidence

Rotostop - Stops the blades but leaves the engine running while you empty the grassbag or move across driveways with self-propelled machines.

Engine - Honda GCVx 170cc OHC 4-Stroke

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
