

Honda SSHF-L Long Reach Hedgetrimmer Attachment

HD-BCSSHF-LE

 **ernestDOE**
Where you can buy with confidence

Our Price: £355

Description

Honda SSHF-L Long Reach Hedgetrimmer Attachment

Ideal for circular bushes and cornered hedges

Whether you're wanting to shape small bushes or get tall hedges under control, the hedgetrimmer attachment comes in a size right perfect for the job – choose either this 54cm version or a shorter 50cm version. Both have an adjustable joint that is able to pivot both left and right, to ensure both comfort and manoeuvrability.

The hedgetrimmer's blades are double-sided which means you can cut by moving the Versatool either left or right – making life that little bit easier. It also comes with an anti-snapping guard, which guarantees it'll keep on going.

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
