Seeland Avail Trousers Pine Green Melange

Like the jacket, the Avail trousers are made from a brushed and low-noise tricot fabric, allowing you to blend into most surroundings when hunting.

They feature the two-layer windproof and waterproof SEETEX® membrane to keep you dry, even when caught out in a passing squall or two.

Equipped with two slanted front pockets and a large pocket on the left thigh including pull cords, so easy to open with gloves or with frozen fingers on.

The trousers also have velcro adjustments at the ankles, so they can be tightened around the boots to prevent ingress from dirt & mud.

Team together with the **Seeland Avail Jacket** for assured full freedom of movement and an extremely smart look in any shooting party.

UK Sizes: 32-42" Waist. Please refer to Seeland size chart when ordering.
