Description

Husqvarna 520iLX Battery Strimmer

A lightweight and high performance trimmer for professionally oriented users. Perfect for gardeners, landscapers and contractors. Features excellent ergonomics and balance, 2-way rotation trimmer head and long-lasting brushless motor.

Intuitive Keypad- For easy operation

Husqvarna 520iLX Battery Strimmer Shell

HV-BC520ILX

Weatherproof (IPX4) - For use in all weather conditions

Dual Direction - The rotational direction of the trimmer head can be changed for less grass on walk ways.

Battery Through Body Design (Pat.Pend.) - Smart battery pack position, placed horizontally through the body of the machine. Reduces the risk of having dirt, chips, dust and water accumulate in the battery compartment. This also means the weight of the battery can be placed in or near the desired centre of gravity and in the rotational axis of the product.

We are an authorised **Husqvarna** dealer and can provide full service back up and maintenance for your Husqvarna equipment.
