**Intuitive Keypad**- For easy operation

**Weatherproof (IPX4)** - For use in all weather conditions

**Dual Direction** - The rotational direction of the trimmer head can be changed for less grass on walk ways.

**Battery Through Body Design (Pat.Pend.)** - Smart battery pack position, placed horizontally through the body of the machine. Reduces the risk of having dirt, chips, dust and water accumulate in the battery compartment. This also means the weight of the battery can be placed in or near the desired centre of gravity and in the rotational axis of
