## Description

### Husqvarna 525RJX Brushcutter

Efficient and easy to use brushcutter with J handle that allows you to use both trimmer line and grass blade. Has the lowest vibration rates in its class.

The Husqvarna 525RX is supplied with highly efficient line head and grass blade.

**Ideal for applications including:**

- Landscape maintenance
- Verges and pathways
- Parks and public spaces
- Overgrown areas

**J-Handle** - Equipped with H-Handle for greater versatility

**X-Torq Engine** - The X-Torq engine design increases torque over a wider rpm range providing maximum cutting power.

**Tap 'n' Go** - Heavy duty twin line cutting system with Tap 'n' Go for quick line feed

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
