

Husqvarna HT520iHD70 Battery Hedgetrimmer (Shell Only)

HV-HT520IHD70

Our Price: £483

Description

Husqvarna HT520iHD70 Battery Hedgetrimmer

Powerful yet lightweight and well-balanced battery-powered hedge trimmer for commercial use with 70cm double-sided cutting bar that gives you a great range. New proprietary motor and new powerful battery will allow you to maximise your working time. The pivoting rear handle makes it easier when cutting both vertically and horizontally.

Ideal for applications including:

- Landscape maintenance
- Parks and public spaces
- Noise sensitive areas

Husqvarna HT520iHD70 Battery Hedgetrimmer (Shell Only)

HV-HT520IHD70

A flexible battery system - The high performing Husqvarna battery system offers a wide range of options, from lightweight integrated- to backpack batteries. The batteries within the system are built to be used over a long time, are quick to recharge and even quicker to swap for continuous use.

Petrol Performance - The battery back provides an equally high power, reliable operation and long lifetime as petrol-driven machines – without any direct emissions. Also, you get as much done on a single charge, as you would manage on one tank of petrol.

Multi Position Handle - The rear handle can be put in multi positions to facilitate cutting the sides and top of hedges.

savE - Choose between normal or savE™ mode, depending on conditions, for maximum power or maximum runtime. Either way, you'll always get a perfect result.

We are an authorised **Husqvarna** dealer and can provide full service back up and maintenance for your Husqvarna equipment.
