Description

Husqvarna 520iHT4 Telescopic Battery Pole Hedge Trimmer (Shell Only)

Husqvarna 520iHT4 is a high-capacity battery-powered telescopic pole hedge trimmer with up to 4.5 m reach, designed for professional use. It cuts wide, high and low hedges efficiently thanks to the length adjustable telescopic tube and angle adjustable cutter bar. The cutter bar also folds easily for easier transport and storage. This machine combines market-leading performance with zero direct emissions, low weight, low vibration levels and extremely quiet operation, so you can use it in noise-sensitive environments. The rear impact guard protects the integrated battery to prevent wear and damage effectively. Compatible with all Husqvarna BLi-batteries and chargers. Weatherproof IPX 4.

Telescopic Tube - The tube has a telescopic function for quick cutting height adjustment
