## Description

### Fat Ball Bird Feeder

This all metal, stylish fat ball holder is designed specially to hold up to five fat / suet balls and will attract a wide variety of birds to your garden.

It is easy to refill and its all metal design makes it both sturdy and easy to clean.

Perfect for the colder winter months when birds are needing extra nutrients and energy provided in fat balls

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
