## Description

### Spear & Jackson Elements Plastic Leaf Rake

The Elements range of Cultivators is a firm favourite with gardeners and those who like to Grow their own!

The range offers good value for money combined with quality, durability and performance

This rake features a tough but flexible plastic head with 24 tines, ideal for fallen leaves and light garden waste such as grass clippings.

Complete with a durable, clear lacquered, weatherproofed ash wood shaft & soft-feel grip for ultimate comfort during use.

Make light work of gardening tasks and keep your lawn looking pristine all year round.

Overall length 161cm

We have a great range of products to help you create your perfect garden so simply choose 'click and collect' option and pick up at your convenience from your local country store.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
