Description

Ascalon Marrakech Garden Arch Structure Umbra Grey

Featuring an intricate design, this decorative garden piece will add depth and dimension to any garden quarter, albeit as a grand entrance, supporting structure and more...

Manufactured from hard wearing steel with a powder coated finish for year round weather resistance, it will provide a firm support for your lightweight climbers & roses and a statement piece to be enjoyed as the season moves on.

Dimensions:- 226*110*41 (cm).

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
