Description

Hayter Hawk 43 - 555A - A/D 60v Cordless Lawnmower Shell

Introducing the new Hawk 43 SP 60V cordless lawnmower. This 43cm wide battery mower starts at a push of a button and comes with variable speed so you can mow at your pace. The Hawk 43 is ideal for someone who has a small garden as it's really easy to manoeuvre and can be vertically stored away, reducing the amount of space usually required by a lawn mower by up to 70%¹.

Best powered by a 4.0Ah 60V** battery, this mower will have your lawn striped to perfection. And when you're done, simply remove the 60V battery and transfer it into one of the compatible Toro® 60V garden tools, part of the Flex-Force Power System®, for complete ease and flexibility.

Battery and charger not included. Must be bought separately

Recommended kit: [4.0 Ah 60V Battery](#) and [2.0 Amp Standard Charger](#)

- Create perfectly sharp stripes with the integrated ribbed rear roller. For effortless mowing with great results.
- Enjoy a cordless mowing experience with no compromise on power with the high-performing Brushless DC motor.
- One-touch height-of-cut button. Choose between seven different heights (19 - 70mm) for your desired grass length.
- Easy to empty grass bag can be easily removed when the handlebars are folded in the upward position.
- Ergonomically designed Operator Presence Control (OPC) levers for comfortable mowing experience and easier handling, especially around small formal gardens.
- Experience a mower that starts first time, every time with the push of a button.
- High performing cut and collection system uses the front and side fins to remove grass clippings once cut.

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
