## Description

### Seeland Taxus Rain Set Pine Green

Spring is here but so are those days where the pouring rain never seems to end. Worry not, we've got you covered from head to toe in the Taxus Rain Suit.

Extremely practical, a thin and very lightweight combination that folds up to nearly nothing inside the jacket's left-hand pocket. And unlike your average duo, the Taxus features a waterproof and windproof SEETEX® membrane throughout, so condensation does not accumulate inside.

The jacket also boasts front zip fastening with storm flap, adjustable pack away hood providing extra insulation around the neck, two large pockets for essentials plus elasticated cuffs to keep rain & wind from your sleeves. The trousers have an elasticated waist with velcro openings on either side for easy access to your trouser pockets.

Super value and so easy to carry, a versatile option to keep you comfortable and dry whatever your seasons outdoor activities may be.

UK Sizes: M-3XL. Please refer to [Seeland size chart](#) when ordering.
